MUSIC

The company celebrated its 25th anniversary with a Broadway performance last November at the Winter Garden Theatre, for both school groups and the public, with excerpts from Broadway shows. Guest speakers at the event included Manhattan Borough President Scott M. Stringer, New York City Schools Chancellor Joel Klein, Shubert Organization Chairman Gerald Schoenfeld and many other officials and theatre artists. The 25th Anniversary Season will continue in the fall with school workshops, a special *Creating the Magic*, a behind-the-scenes look at a Broadway show and the various careers in theater, and the spring production of the hit *You're A Good Man, Charlie Brown*.

Inside Broadway began its unique programs in 1982, at the request of Shubert Organization President Bernard Jacobs, by creating the first Broadway student ticket program, for the musical *Cats*. The organization also created the first educational video showing the behind the scenes at the Winter Garden Theater and created 50 minute versions of hit Broadway shows that travel to schools to introduce young people to musical theatre.
