I loved interviewing Susan Mosher backstage. She is such a sweetie!

Oh Edna- I can hear the bells. Kevin Meaney and Michael Presser.

(Just kidding!)

Kevin Meaney gives Michael Presser a kiss.

Kevin Meaney-

Understudy of Edna Turnblad.

I had a nice chat with Kevin backstage after the show. It was a great pleasure interviewing him. Kevin is writing a one man show which I hope to see on Broadway in the near future. Maybe Hairspray can do it there on dark nights.

Marissa Perry and Ashley Parker Angel (Tracy and Link)

Marissa Perry-
The new Tracy has been in the show for the past seven weeks. She is very talented!

GOOD MORNING

BALTIMORE: Tracy's bed.

The technical part is always the most exciting for the kids.

Well, it was exciting for this kid as well.

Yesterday, we attended INSIDE BROADWAY CREATING THE MAGIC: A free concert for Inner City school kids and for anyone who loves Broadway. We were there to capture the magic and do some photo coverage and video interviews.
